

List of Pensioners on the Roll January 1, 1883 By United States Pension Bureau

At the Carter County web site there is similar 1890 census already up. The 1883 differs by adding the type of wound, the pension amount and also where the pensioner resides.

By 1890 some of the pensions are being collected by widows.

The 1883 list includes War Of 1812 pensioners, all of them are widows. Included is my GGG grandmother Elizabeth Haney, widow of 1812 vet John Haney.
