Date of this document is: 8 September 1998

Survey by: Chris Mowery

Location of Cemetery:

The Parker Cemetery is located on Square Lick on a point over-looking the Square Lick Road. To get there from Olive Hill, Kentucky you will travel up Road #896 commonly called Airport Road or Ben's Run Road by the oldsters. You proceed two miles up #896 from the four-way stop in Olive Hill. There is a narrow, black-topped road to your left across a low-water bridge that goes over Ben's Run Branch. Turn left up this road keeping to the black-top for a distance of 1.4 miles. You have come a total distance of 3.4 miles from Olive Hill. There is a large iron gate to your left that is locked and a no trespassing is tacked high on the gatepost. It is best to go on up the road a short distance to a nice brick house where Johnnie Jordan, the owner of the property, resides and get permission to go to the cemetery. After getting permission to enter go through this gate and and down a "cow-path road" to highest point in front of you.
