Posted by: Michael Holden: MOSS family of Braymer, MO by John of 2295 I was just looking for information about my great grandmother, Minnie Kinnamon Moss, when I ran across this message. I would very much appreciate any information I could acquire from you regarding my ancestors.

This is the first attempt I have made in finding this sort of info. I plan to drive through or near that area soon and would like to visit the areas where my ancestors may have lived. valleytransdiff@aol.com
